# Online Tutorials

Why do we offer it?

- Anxiety with Maths – I am not good at maths!!
- Anxiety in class – Afraid to ask questions
- Placements – Unable to get on campus
- To far away – Not worth travelling 2 hours each way

# Online Tutorials

How do we run them?

We use *Appear.In*

- One to One is great
- Groups not so good
- Easy to use
- No login required by student
